CLERK: Mr. President, 335 by Senator Bromm, page 1057 of the Journal.

SENATOR ABOUD: Senator Bromm.

SENATOR BROMM: Thank you, Mr. President and fellow senators. This resolution would congratulate the Scromsburg/Osceola boys' wrestling team for the 1998 Class C State Wrestling Tournament and significance that I want to point of this accomplishment is that this is the first cooperative team between two still existing separate schools to win the state wrestling championship. And I want to congratulate the team and the coach for the fine work and Coach Orsborn, Coach Orsborn is the coach, so offer their congratulations. Thank you, Mr. President.

SENATOR ABOUD: Thank you, Senator Bromm. Mr. Clerk, next resolution.

They previously won in 1922, '26, '79, '80, and '96, and have, if not the longest winning streak in the history of the state, very near the longest, and would ask for support for their not only recent accomplishment but for their longstanding accomplishment in athletics. Thank you.
